LANGUAGE SCHOOLS CATALOGUE 2019

Our heart is education

Welcome to our 2019 Language Schools catalogue.

As part of one of the world's greatest universities, we are committed to helping improve the lives of young people. That's why 100% of the proceeds generated is reinvested into education and research, championing a love of learning across the world.
As a teacher – feeding young minds and enriching lives through learning – you're doing the world's most important job.

At Oxford, we're here to help you to do it even better.

LEARN ENGLISH WITH DORA THE EXPLORER™

International English • Pre-Primary • 60-80 hours • 3 to 6 years

TOGETHER, WE CAN DO IT!

Levels 1—3

Each unit of *Learn English with Dora* the Explorer is mapped with *Reading Stars* Graded Readers (p. 69)

Join Dora the Explorer and Boots the monkey on a wonderful adventure into the world of English.

Learn English with Dora the Explorer is a 3-level, Pre-Primary course that guides students as they take their first steps into the world of English, together with the adventurous Dora the Explorer.

Take your students on a **language-learning journey** with activities, songs, and videos that will build confidence and develop the skills needed for primary school. Teaching with *Learn English with Dora the Explorer* is **fun and effortless** with a **flexible package of resources** to support your classes.

- Inspire a **love of learning** and help develop problem-solving skills with much loved **Nickelodeon characters** who invite students to be a part of their adventure
- Build **confidence in listening and speaking** and promote a **'can-do' attitude** towards learning English with songs, stories, projects, and plays that allow students to work together to solve quests.
- Develop the **reading, writing and print awareness skills** needed for a seamless transition to primary school with the Phonics and Literacy strand.
- Teach students the skills needed for **exam success** with preparation for the Cambridge English Qualification Pre-A1 Starter exam.

Components

For Students:

- Student Book
- Activity Book

For Teachers:

- Teacher's Pack includes:
  - Teacher's Guide
  - Classroom Presentation Tool
  - Online Teacher Resources with festival pages, certificates, play scripts, assessment activities, and project worksheets.
- Classroom Resource Pack with:
  - Dora the Explorer and Boots the monkey puppets
  - Flashcards
  - Storycards
- Audio CDs

Check out the resources available on **www.oxfordpremium.es**

Show parents evidence of learning and support them to make a difference in their child's learning journey with letters, **fun home-learning activities** in the Parent's Guide, and the *Reading Stars* Graded Reader series.

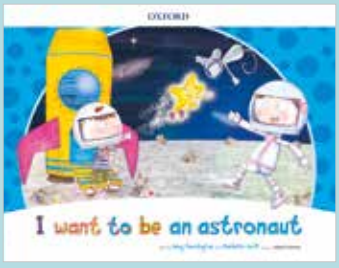
I WANT TO BE... STORYBOOKS

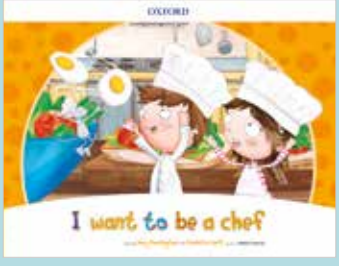
Six Storybooks available

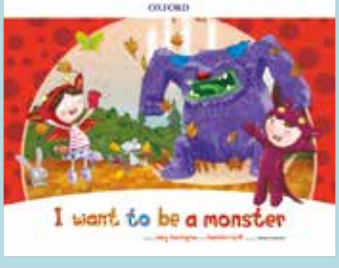
NEW

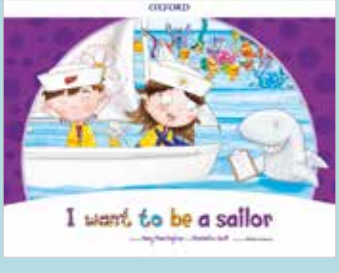
Pre-Primary • 3 to 5 years • Mary Charrington, Charlotte Covill

STEP INTO A WORLD OF INCREDIBLE ADVENTURES









Creative, topic-based tales put young learners at the centre of their own imaginative learning journey.

- Inviting tales spark students' **curiosity,** inspire **a love of learning** through stories, and reinforce important values like sharing and being kind.
- **Perfect blend of real life and imagination:** familiar topics, presented within an imaginative context, encourage learners to develop their creativity.
- Strengthen the **home-school link** with flexible and appealing resources that students can share at home with their families.
- Complement project work – and cater to multiple intelligences – through a variety of topics and a lively assortment of **multi-sensorial material.**

Parent's Website

An **animated story video and notes to parents** with key vocabulary translations ensure that students can continue learning at home with their families.

Find a list of ISBNs at the end of the catalogue (p. 72)

Components

For Students:

- Storybook includes:
  - Stickers
  - Worksheets
  - Story Prop
  - Mini Flashcards
  - Access to story video via code in book
  - Parent's Website

For Teachers:

- Teacher's Guide
  - eBook with audio and animated story video
  - Live-action song video
  - PDF Flashcards
  - Picture Cards

Check out the resources available on **www.oxfordpremium.es**

SHOW AND TELL 2ND ED.

NEW

International English • Pre-Primary • 90 hours • 3 to 5 years • Gabby Pritchard, Kathryn Harper, Margaret Whitfield

CREATING YOUNG THINKERS WITH GREAT FUTURES

Levels 1—3

Use with *Oxford Discover* 2nd Ed. to create a nine-level course (p. 15)

Centred on an **enquiry-based approach,** this course equips students with the **communication and thinking skills** they need for future success both inside and outside the classroom.

- Brand-new resources and content build on *Show and Tell*'s tried and trusted methodology, helping learners develop **critical thinking and cross-curricular skills.**
- **Children take an active role** in their learning process through discovery and play, while answering the Big Question in every unit.
- The new and improved Activity Book, plus the Literacy and Numeracy books, provide extra practice for further development of **early literacy and numeracy skills.**
- Parent's guide and the Lingokids™ home learning app ensure a fun and motivating way for parents to encourage English **practice at home** with their child.

Find a list of ISBNs at the end of the catalogue (p. 72)

Components

For Students:

- Student Book with App
- Activity Book
- Literacy Book
- Numeracy Book

BLOG

10 ways to use puppets in the ELT classroom • Kathryn Harper

A great way to use the class puppet is for routines. The puppet can greet and say goodbye to the children when they come in or leave the class, and elicit information from them, for example, "How are you today?"
The children will be comfortable and interested in replying to the puppet, and even the shyest child will want to interact with it in this way.
By using the puppet regularly for specific activities such as 'Reading time' or 'Goodbye time', you can move from one activity to the next seamlessly, keeping your students motivated and engaged.

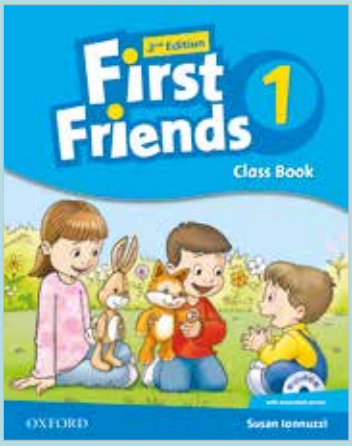
NEW

FIRST FRIENDS 2ND ED.

Pre-Primary • 90 hours • 3 to 5 years • Susan Iannuzi

FIRST FOR ENGLISH, FIRST FOR FUN, FIRST FOR YOUNG CHILDREN



Levels 1—2

Use with *Family and Friends* 2nd Ed. to create a nine-level course (p. 18)

A fun two-level course for very young learners that **develops vocabulary, practises phonics and teaches family values.**

- *First Friends* has a very clear methodology and easy-to-follow structure which provides a **regular unit cycle** and a **solid framework.**
- Every unit opens with the new vocabulary and grammar presented in natural, familiar settings so **the language is meaningful for children.**
- **Fun, integrated phonics lessons** help children learn the names and recognise the sounds of English letters.
- New for 2nd Edition is the **values lesson**, covering civic education and helping develop social skills.

Find a list of ISBNs at the end of the catalogue (p. 72)

Components

For Students:

- Class Book and MultiROM
- Activity Book
- Maths Book

For Teachers:

- Teacher's Book
- Teacher's Resource Pack
- Class Audio
- Classroom Presentation Tool

BLOG

Fun with Phonics • Charlotte Rance

English is not spelt phonetically so reading and spelling in English can be challenging even for native speakers. Phonics is a system that was developed to help native speaking children learn to read in English. It involves linking the 44 sounds of English (phonemes) to the possible ways they can be spelt (graphemes). (…)
However, phonics doesn't just help children to associate the sounds and spelling of English. Through focusing on the sounds of English, young learners can develop confidence when they tackle new words. It can also help them to improve their spoken and written English and develop their learner autonomy.

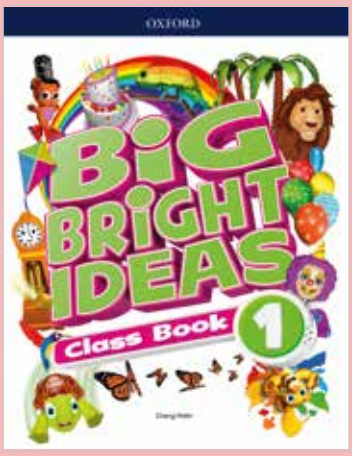
BIG BRIGHT IDEAS

Includes practice for external exams

CEFR: A1-A2 • 85-100 hours • 6 to 12 years • Cheryl Palin, Tamzin Thompson, Katherine Bilsborough, Steve Bilsborough, Sarah Phillips, Mary Charrington, Charlotte Covill

IMAGINATIVE LEARNING FOR CURIOUS MINDS



Levels 1—6

By presenting contemporary topics in an **enquiry-based context,** *Big Bright Ideas* develops literacy, exam, and **21st Century skills** for lasting language success.

- **Enquiry-based approach boosts 21st Century skills:** collaboration, critical thinking, communication, and creativity are developed in every unit with clearly flagged activities.
- **Fun blog-style** activities draw upon children's existing knowledge and encourage them to share ideas, making them feel part of the course.
- An **exciting game world with animated stories** appeals to young learners' imaginations.
- **Cambridge English Young Learners exam syllabus** is closely **linked to the course** contents to ensure that students are prepared for Flyers by the end of Level 6.

If your student's goal is B1, you may be interested in *Big Questions*. Find out more via Oxford Connect.

BLOG

Enquiry Based Learning in the Primary classroom

• **Derry Richardson**

When you become a facilitator for children to take responsibility for what and how they learn, you help them gain a deeper understanding of the work they are covering, as well as building and developing skills required for tackling issues that will arise in the real world. Through this facilitation, you will be encouraging them not to just seek information and facts based on the initial outcomes, but to search further into their own interests and relate these to real life contexts.

Show the course content on screen, making it easier to deliver heads-up, engaging lessons.

TOP TEN REASONS TO LOVE *ENGLISH FILE* 4TH ED.

Learn language and develop skills with engaging and varied video content.

Hearing everyday English from real speakers helps your students with intonation and pronunciation.

77% of teachers choose English File for its variety of motivating tasks.

Students are more motivated to participate in topics that are appealing and appropriate to them.

The renowned Sound Bank with new Sound Bank videos gives students the opportunity to hear how a native speaker pronounces the sound.

NEW Video Listening activities integrated into the Files

NEW 'Can you understand these people' videos

NEW real-life content

NEW Sound Bank videos

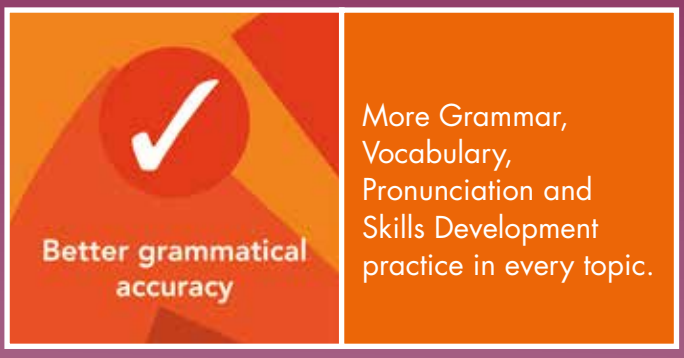
Trusted **Grammar, Vocabulary and Pronunciation** approach

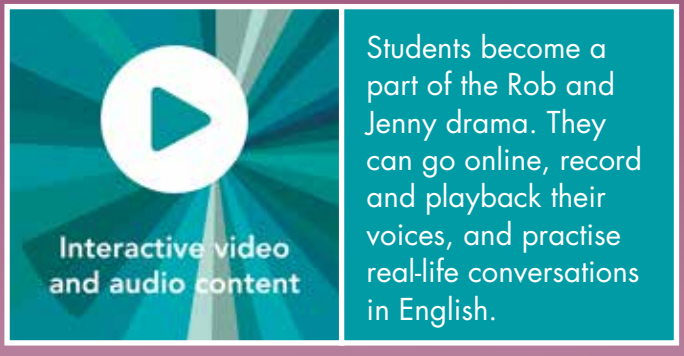
NEW 'Practical English' interactive videos

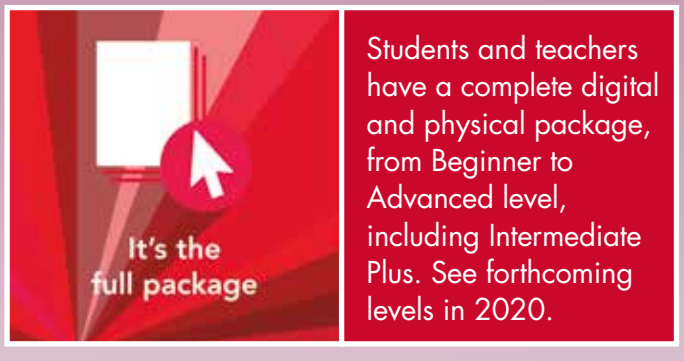
Teacher's Guide with Teacher's online resources
All your resources in one place: downloadable or accessed online.

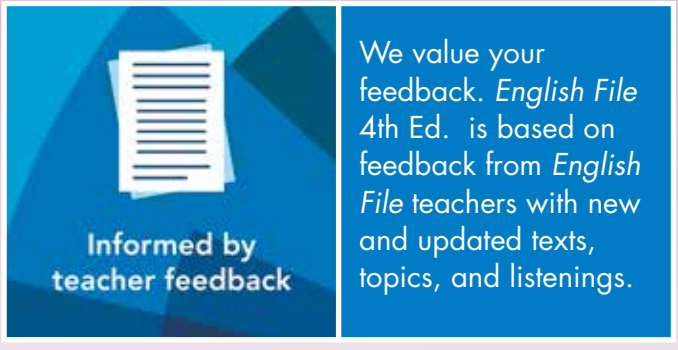
"Teacher feedback is one of the really important things that shapes the new editions… from what teachers thought about the previous editions, to the lessons and material they would like us to include."

Christina Latham-Koenig,
***English File* author**







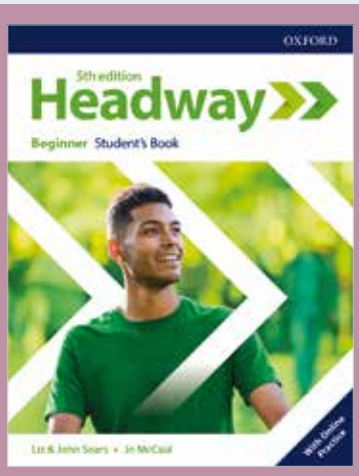


NEW

HEADWAY 5TH ED.

CEFR: A1–C1 • 80 to 120 hours • Liz Soars

TRUSTED WORLDWIDE. INSPIRED BY YOU.



All levels launched in 2019
Levels Beginner—Advanced

Building on **proven methodology and a trusted syllabus,** the 5th Edition of the popular *Headway* series has been updated to remain relevant to today's English learners. **A balanced blend of vocabulary and grammar,** along with an appropriate level of challenge, prepares students for success.

- **Updated topics, new texts, and realistic activities** motivate students, helping them navigate practical situations.
- **New Online Practice** reinforces content from the Student's Book, allowing learners to boost their skills at home.
- Try out the **flipped classroom methodology** with the new unit introduction videos to engage students with the topic in or before class.
- **New inspiring photograph page** with warm-up questions generates discussion at the start of each unit.

Components

For Students:

- Student's Book with Online Practice
- Workbook
- Student's Book Split Edition with Online Practice
- Digital Student's Book

For Teachers:

- Teacher's Guide
- Teacher's online resources
- Classroom Presentation Tool
- Class Audio CDs

Check out the resources available on
www.oxfordpremium.es

Don't miss:

91% of teachers trust that *Headway* delivers the learning outcomes that support students' move to the next level of study.

The main reasons given by teachers for selecting *Headway* are: the approach to grammar, the range of components that meet the school's requirements, and the topics introduced in the interesting reading texts. These features improve the four skills and prepare students for the next level of study.

The Headway Oxford Impact study was conducted in January and February 2018. 299 teachers responded. Oxford Impact is a unique way of evaluating the impact that educational products and services from Oxford University Press have on teaching and learning.

OXFORD IMPACT EVALUATED

"A new edition is not a question of just picking out one activity and inserting another. Every unit is redesigned, redeveloped, reconstituted and things do remain the same, but a lot changes as well."

Liz Soars, *Headway* author

SIMPLIFIED PACKAGE FOR EASE OF USE

FOR STUDENTS

FOR TEACHERS

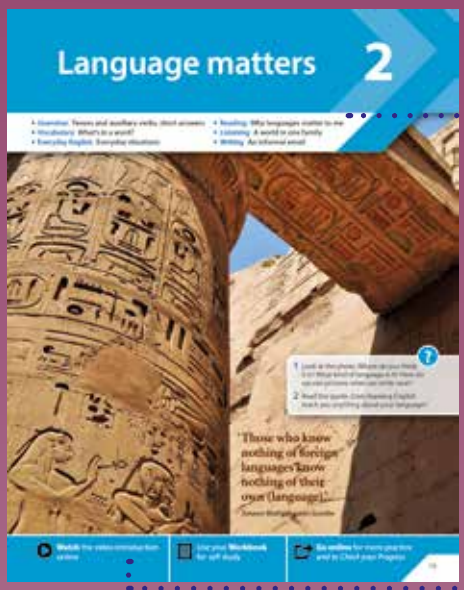
WHAT'S NEW FOR *HEADWAY* 5TH EDITION?

INSPIRING UNIT OPENER PAGES

"I love the new openers. It's been quite fun trying to find really interesting opening pictures and it's been one of the delights of the new edition."
Liz Soars, *Headway* author

An inspiring photograph and questions introduce the unit topic, generating discussion and encouraging students to think about issues that have an impact on their lives.



Student's Book Intermediate

Main language areas and skills are clearly listed on the unit opener pages.

Video introductions provide an overview of the content included in each unit. Teachers can play these in class or set as pre-work to bring the unit topic to life.

Video Intermediate

SUPPORTING STUDENTS WITH NEW ONLINE PRACTICE

Extend students' independent learning. They can **look** at Student's Book activities again, do extra practice activities, and **check progress** with instant feedback. The extra practice includes:

- Activities that match the **grammar and vocabulary** from each unit.
- Speaking practice that allows students to **record and play back** their voice.
- Extra skills practice with **scores grouped by skill** to see the progress in specific areas.

NEW AND UPDATED TEXTS, TOPICS AND TASKS

What do you think? sections relate reading texts directly to students' lives.

Additional online video provides the option to extend topics.

Student's Book Intermediate

SUPPORTING TEACHERS WITH NEW TEACHER'S ONLINE RESOURCES

All your *Headway* resources, stored in one place to save you time:

Student's Book and Workbook audio, videos, audioscripts, answer keys, photocopiable activities, CEFR correlations, teaching notes, tests, wordlists, and more.

Use the **Learning Management System** to track your students' progress.

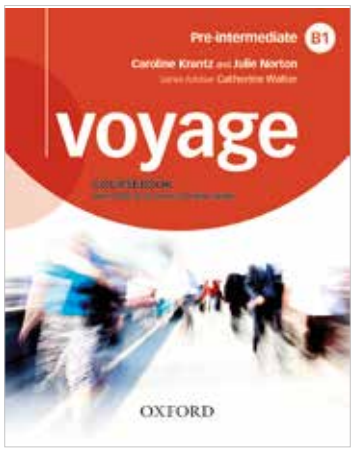
VOYAGE

NEW

CEFR: A1 – C1 • 120–140 hours • Series Adviser – Catherine Walter • Authors - Paul Dummett, Jake Hughes, Katie Wood, Caroline Krantz, Julie Norton, Rachael Roberts, Heather Buchanan, Emma Pathare, Kate Pickering, and Mark Bartram

YOUR DIRECT ROUTE TO ENGLISH SUCCESS



Levels A1—C1

Voyage is a six-level course that puts a fresh spin on reading and listening activities, drawing on academic research into **how adults learn languages most effectively.** The course takes an **innovative approach to reading and listening based on academic research** into how adults best learn languages.

- No matter whether the goal is to master English **for work, study, or social life,** *Voyage*'s carefully crafted structure helps learners thrive.
- **Information-rich topics and texts** immerse adult learners in themes and issues from around the world so that learning English is more relevant.
- By incorporating essential vocabulary from the **Oxford 3000™,** *Voyage* introduces the **high frequency words** needed to successfully communicate in the real world.
- With *Voyage*, instructors are never alone – they have a **Teacher's Guide and video** overview of each lesson with insightful advice.

Components

For Students:

- Student's Pack with:
  - Coursebook
  - Workbook with or without Key
  - Video
  - Audio CD
  - Oxford Online Skills Program
- eBook

For Teachers:

- Teacher's Guide with Teacher's Support and Resource Disc
- Teacher eBook
- Class Audio
- Classroom Presentation Tool

Check out the resources available on **www.oxfordpremium.es**

Don't miss:

"In *Voyage* we adopt a **bottom-up approach to skills development,** where the chief focus is on decoding, with only a minor focus on top-down skills. Instead of simply providing practice in reading and listening, we give learners **systematic training in how to tackle a listening or reading text,** and instead of just encouraging them to use their world knowledge to predict what the text will probably be about (as is typical in a top-down approach) we give them the **tools to understand what the text actually is about.**'"

Caroline Krantz - *Voyage* Author

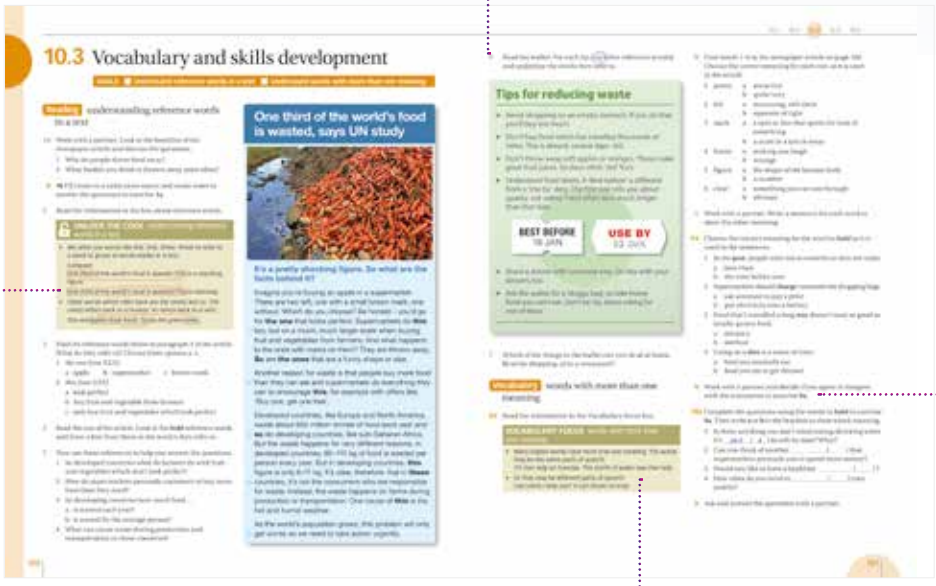
Find a list of ISBNs at the end of the catalogue (p. 75)

AN INNOVATIVE APPROACH TO SKILLS DEVELOPMENT

- Empower learners to navigate texts and listen and read better over time, **not just to understand the one text in front of them.**
- *Voyage* enables students to **transfer reading and listening skills from one text to another**, which fosters motivation and builds language ability.
- Listening and reading syllabuses are based on **areas** which **commonly cause difficulty** in understanding spoken and written texts.

Equal weight given to grammar and vocabulary learning – with clear practice on the page

Innovative skills strand takes a bottom-up decoding approach to listening and reading



Coursebook B1

Speaking practice throughout each lesson to help learners become more confident at using language in the real world

Focus on vocabulary systems and vocabulary-building techniques

MORE SUPPORT FOR TEACHERS

The **Teacher's Guide** includes extensive lesson notes with additional **pedagogical support** offering tips on areas such as differentiation, critical thinking, and smart communication. It also contains:

- **Photocopiable guides** for extra grammar, vocabulary, and communication practice in each unit – plus **'vox pop' video worksheets.**
- A clear overview of each unit, including a **fast-track version for shorter courses.**
- **Essays** from our expert course consultants and advisers.
- **60-second videos** from Series Adviser Catherine Walter which provide an overview of each lesson to **quickly prepare you** for that day's lesson.

In addition, the Teacher's Support and Resource Disc helps you **track your students' progress** and effortlessly create editable tests.

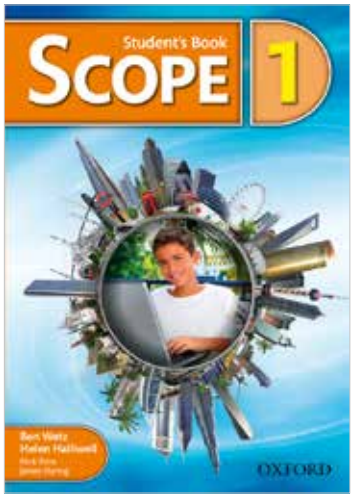
Real-world video content provides integrated listening practice

DVD B1

SCOPE

CEFR: A1–B2 • 80–90 hours • 12 to 16 years • Ben Wetz

A COMPREHENSIVE FOUR-SKILLS COURSE



Levels 1—4

With **rich resources, practical language, and clear learning outcomes**, *Scope*'s unique framework builds students' confidence and helps them achieve success in English.

- A **challenging yet manageable syllabus** provides an efficient method for measuring student progress.
- *Scope* approaches grammar in an active way in order to **encourage learner autonomy** and give students the tools they need to communicate effectively.
- Vocabulary linked to the Oxford 3000™ emphasises functional, **real-world communication.**
- Resources in the **Teacher's Toolkit** add variety and flexibility with more than 200 photocopiable tests and worksheets.

Components

For Students:

- Student's Book
- Workbook with Online Practice

For Teachers:

- Teacher's Book
- Class Audio
- Classroom Presentation Tool
- Teacher's Toolkit

Check out the resources available on **www.oxfordpremium.es**

Find a list of ISBNs at the end of the catalogue (p. 74)

Mixed-ability support

- *Focus on Grammar, Focus on Vocabulary* and *Focus on Writing* pages provide additional support for mixed-ability classes.
- Graded exercises in the Workbook ensure every student can practise at the right level.
- Extra graded photocopiable worksheets and tests at both Standard and Challenge level cater for every student.

BLOG

What is a core vocabulary? • Julie Moore

It's very difficult to say exactly how many words there are in the English language (…)the task of teaching vocabulary to learners of English seem a rather daunting one. (…)
With this aim in mind, the Oxford 3000 word list was first put together back in 2005. Since then, the list has been widely used by learners, teachers, syllabus designers and materials writers to help them choose which vocabulary is worth spending most time over. Fourteen years on, however, it was time for an update. The new Oxford 3000 has had a thorough revision including a new look at the criteria for inclusion and the use of new frequency data based on a much larger and more up-to-date corpus.

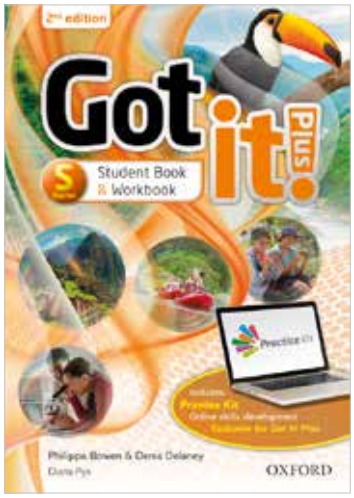
GOT IT! 2ND ED.

International English • CEFR: A1–B1+ • 80–90 hours • 12 to 16 years • Philippa Bowen and Denis Delaney

A FOUR-LEVEL INTERNATIONAL ENGLISH COURSE FOR TEENAGE LEARNERS



Levels Starter—3

With a particular emphasis on meaningful **communication and skills development**, *Got it!* 2nd Edition builds students' confidence to communicate in English.

- *Got it!*'s **skills-based approach** creates writing, listening, and communication opportunities to showcase functional language and build student confidence.
- Language is presented in context at the start of every unit in a **photo-story in the lower levels** and in an **interesting, teen-appropriate text in higher levels.**
- The **guided discovery approach to grammar** encourages students to reflect on the language they are learning and supports autonomous learning.
- Online progress tests, self-assessment activities and sample questions for **Cambridge English exams** ensure that students are prepared for exam day.

Got it! PLUS offers an online practice kit with extension material to cover all four skills and boost independent study strategies.

This provides students with skills practice at the right level without repeating the material in the Student Book.

Practice Kit

Components

For Students:

- Student Book and Workbook
- Split edition Student Book and Workbook

For Teachers:

- Teacher's Book Pack
- Class audio
- Online Teacher's Resources
- Classroom Presentation Tool

Check out the resources available on
www.oxfordpremium.es

Don't miss:

Discover how *Got It!* 2nd Ed. supports your students' skills development in every unit:

- A dedicated **'Skills' page with 'My Skills' boxes** and new guided writing tasks.
- A **Writing Builder lesson** which covers a range of useful writing rules, from using punctuation correctly to organising ideas in a piece of writing.
- **'Extra communication' pages** which offer further listening practice and extra functional vocabulary.

Find a list of ISBNs at the end of the catalogue (p. 74)

INSIGHT

CEFR: A2–C1 • 90–110 hours • 13 to 18 years • Jayne Wildman, Fiona Beddall, Claire Thacker, and Cathy Myers

CHALLENGE. DEVELOP. INSPIRE.

Levels Elementary—Advanced

Insight is a thought-provoking course which deepens **students' knowledge of language** and equips them with **lifelong learning skills.**

- **Engaging topics** encourage students to learn more about the world around them, **think critically**, and **debate their opinion.**
- **Culture pages**, along with related videos, broaden students' understanding and knowledge of English-speaking countries.
- Through **extensive vocabulary activites and resources**, *Insight* helps students develop a deeper awareness of how language works.
- Topics commonly seen on **university entrance tests and external exam-like tasks** are integrated into the course to ensure that students are exam-ready.

Components

For Students:

- Student's Book
- Workbook with Online Practice
- Digital Student's Book
- Digital Workbook

For Teachers:

- Teacher's Book with Teacher's Resources Disk
- Class Audio
- iTools
- Test Bank MultiROM

Check out the resources available on
www.oxfordpremium.es

Insight into Vocabulary

Insight gives students the opportunity to think about more than just the meaning of new vocabulary.

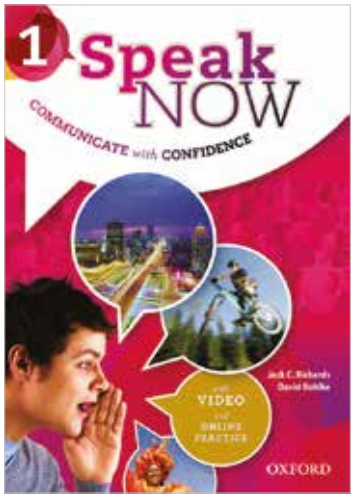
- Learn about **'rules of vocabulary'** such as collocation, word building, register and connotation, and gain a comprehensive understanding of vocabulary.
- *Vocabulary insight* pages focus on **dictionary and thesaurus skills** and explore language further.
- A ten-page *Vocabulary Bank* presents **extra topic-based vocabulary**.
- A unit-by-unit wordlist with dictionary-style definitions gives students more information about core vocabulary.

Find a list of ISBNs at the end of the catalogue (p. 74)

SPEAK NOW

International English • CEFR: A1–B2 • 70–90 hours • Jack C. Richards and David Bohlke

COMMUNICATE WITH CONFIDENCE



Levels 1—4

Speak Now is a conversation course with fully-integrated video, aimed at developing students' **conversational language skills.**

- **Self-contained material for each 45-50 minute conversation class** provides visible and attainable targets for each lesson.
- **Regular review lessons and CEFR Self-Checks** help students monitor their progress and ensure a sense of real achievement.
- The *English in Action* video material provides **real-world speaking models** that develop listening and pronunciation skills.
- With over 120 self-study activities, *Speak Now* **Online Practice** offers students extra opportunities to **practise outside class.**

Components

For Students:

- Student Book with Online Practice
- Workbook

For Teachers:

- Teacher's Book with Testing CD-ROM
- Class Audio
- Video

Check out the resources available on
www.oxfordpremium.es

Speak Now can also be **expanded into a four-skills course** through extra activities available in the Workbook.

Find a list of ISBNs at the end of the catalogue (p. 75)

BLOG

Bubbling under – Helping ideas surface in speaking classes

• Edmund Dudley

When they go well, speaking activities can bring life, laughter and energy to the language classroom, providing a real sense that the language is being put to use in an enjoyable and authentic way. When they go badly, however, speaking activities can be immensely frustrating – and not only for the students. (…)
With teenage students, the first thing to be aware of is that difficulties with speaking are very often exacerbated by inhibitions that they have about themselves as learners – and as members of the group. (…) Putting students at ease and providing a supportive atmosphere in the classroom is essential if speaking activities are going to work.
The same teenagers who hate talking about things they like often love talking about things they hate. Try asking "What's the worst song on YouTube?" instead of "What's your favourite pop group?" and watch the hands go up.

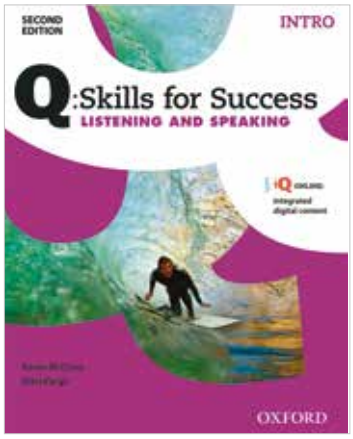
Q: SKILLS FOR SUCCESS 2ND ED.

Split Student Book suitable for intensive courses

International English • CEFR: A1–C1 • 90–110 hours • Various authors

THINK CRITICALLY. SUCCEED ACADEMICALLY.



Levels Intro—5

With clearly-stated unit objectives, enhanced skills support, an extended writing syllabus, and authentic video in every unit, *Q: Skills for Success* **equips students for academic success.**

- **Critical-thinking approach** encourages students to analyse, synthesise, apply knowledge, and express their individual voice around a topic.
- **Explicit learning skills sections** help students acquire important academic skills such as scanning a text, listening for gist, and using a dictionary.
- **Research-based vocabulary programme** ensures that students learn the most relevant words for academic and professional life.
- **Enhanced listening and reading comprehension activities** prepare students for high-stakes assessment.

Components

For Students:

- Student Book
- Split Student Book A and B
- iQ Online

For Teachers:

- iTools Online
- iQ Online with access to:
  - Teacher's Handbook
  - Teacher resources

Check out the resources available on
www.oxfordpremium.es

iQ Online is integrated with the Student Book content to extend learning in and out of the classroom:

- **Language and skills practice**

  Activities include video, vocabulary, grammar and skills practice, plus an Online Discussion Board that provides a forum for students to discuss the unit question.

- **Writing Tutor**

  Writing models and structured step-by-step support for the unit assignment. Students can save, print or submit their work to the teacher for feedback.

- **Testing and assessment**

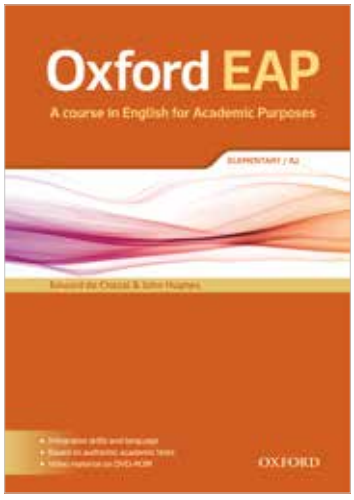
  Auto-graded online tests for every unit instantly measure student progress and save time on grading. Scores are entered into the online gradebook, providing a quick and easy way to track class progress.

Find a list of ISBNs at the end of the catalogue (p. 75)

OXFORD EAP

CEFR: A2–C1 • 80–100 hours (Levels A2–B1); 120–140 hours (Levels B1–C1) •
Edward de Chazal, Paul Dummert, Jon Hird, John Hughes, Sam McCarter, Louis Rogers, and Julie Moore

A FIVE-LEVEL COURSE IN ENGLISH FOR ACADEMIC PURPOSES



Levels A2—C1

Oxford EAP develops the **academic skills and academic language** of learners who are preparing to study in English at **university level,** from foundation courses to postgraduate research.

- **Authentic academic context** uses extracts from Oxford textbooks.
- **Integrated skills** and academic language are presented using a clear structure.
- **Video-based lecture extracts** help prepare students for the university experience.
- The modular structure of the course gives tutors and students the **flexibility to adapt the material** to their own needs.

Find a list of ISBNs at the end of the catalogue (p. 76)

Components

For Students:

- Student's Book with DVD-ROM

For Teachers:

- Teacher's Handbook Pack with:
  - DVD
  - Audio CD

5 things you need to know about Academic Vocabulary

• Julie Moore

Learning vocabulary is about so much more than ticking off words on a list as you manage to match a written word form to a surface meaning or translation. For a learner to say they really know a word, especially if they hope to count it amongst their productive vocabulary, then it takes time, repeated encounters, and digging a bit below the surface. This, of course, is true of all language learners, but for those learning English for academic purposes (EAP) the specific aspects of vocabulary knowledge differ somewhat.

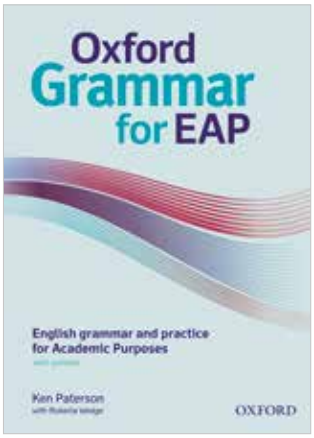
OXFORD GRAMMAR EAP

CEFR: B1–C1 • Ken Paterson and Roberta Wedge

ENGLISH GRAMMAR AND PRACTICE FOR ACADEMIC PURPOSES



Whether used alongside *Oxford EAP* or for individual study, *Oxford Grammar for EAP* provides students with the **functional grammar and academic vocabulary support** they need in order to succeed in their studies.

- **Practical strategies** for academic writing and speaking are applicable to a wide range of disciplines.
- Exercises that test **knowledge and challenge understanding** clearly show how to put theory into practice.
- *Oxford Grammar for EAP* reviews and consolidates the key grammatical areas needed for **writing essays and giving presentations.**

Components

For Students:

- Student's Book

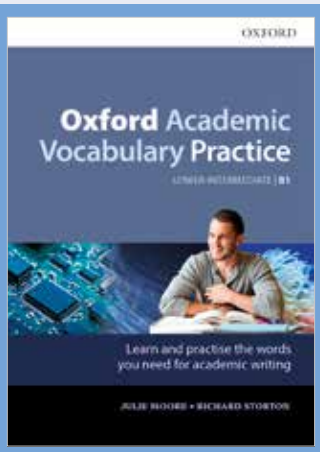
Find a list of ISBNs at the end of the catalogue (p. 76)

OXFORD ACADEMIC VOCABULARY PRACTICE

NEW

CEFR: B1–C1 • Julie Moore and Richard Storton

LEARN AND PRACTISE THE WORDS YOU NEED FOR ACADEMIC WRITING



Levels B1—B2/C1

Vocabulary practice activities help you learn the key words you need to use when studying **any academic subject in English at university level.** The vocabulary is sourced from the **Oxford Corpus of Academic English**, which shows how words are used across physical sciences, life sciences, social sciences and humanities.

- **Authentic texts,** showing how the words are used in academic writing.
- **650-word glossary** with definitions and phonetics for all key words.
- A **language reference section** with information on the use of grammar, collocations, affixes and prepositions in academic English.

Components

For Students:

- Student's Book

Find a list of ISBNs at the end of the catalogue (p. 76)

ONLINE LEARNING AND PRACTICE FOR SKILLS, LANGUAGE AND WORK

Use our media-rich online practice material alongside any of our Adult courses to complement and extend your students' learning.

Track your students' progress as they hone their skills in specific areas. When used as blended practice material, the courses encourage students to explore, practise, and reflect on their learning.

OXFORD ONLINE SKILLS PROGRAM

CEFR: A1–C1 • 30 hours

- Topics in the **General English** modules complement those found in most General English courses, such as family, historic events, giving opinions, and composing emails.
- **Academic English** focuses on topics and language – such as architecture, technology, education, and history – that students need in order to study effectively in a Higher Education environment.

AVAILABLE COURSES: General and Academic skills

ONLINE LANGUAGE PRACTICE

CEFR: A2–B1 • 30 hours

- **Dynamic content** includes audio, video, and grammar animation to captivate learners and bring language to life.
- A **topic-based approach** contextualises language, teaching grammar and vocabulary in a meaningful way.

Grammar and Vocabulary (British English)

Find a list of ISBNs at the end of the catalogue (p. 76)

OXFORD ENGLISH FOR WORK

CEFR: A2–B1 • 30 hours

- **Telephoning Skills** familiarises learners with all aspects of making a call, such as how to address people, leaving a message, and managing conference calls.
- **Writing Skills** enables students to write effectively at work. Topics include using appropriate register, giving feedback, and writing for social media.
- **Socializing Skills** develops the softer conversational skills students need in and outside work, such as greeting visitors, entertaining, and expressing interest.

Telephoning, Socializing, and Writing Skills (International English)

ONLINE PRACTICE TESTS

Give students the chance to **study at home with instant support at the click of a button.** Each online practice test has **the same papers as the real exam at the right level,** just like with pen and paper tests.

- Includes **automatic marking** with feedback on answers, an online dictionary look-up, exam tips, audio scripts, samples answers, and useful language for the Speaking test.
- Teachers can access tasks to **track student progress.**
- Available for Cambridge English exams, IELTS, TOEIC, TOEFL, and more.

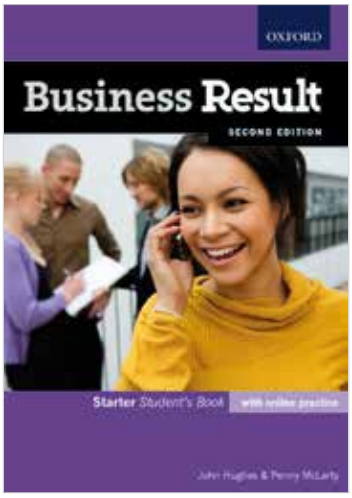
BUSINESS RESULT 2ND ED.

CEFR: A1–C1 • 70–100 hours (Starter Level); 80–120 hours (Elementary to Advanced Levels)
• Various authors

BUSINESS ENGLISH YOU CAN TAKE TO WORK TODAY



Levels Starter - Advanced

Business Result 2nd Edition is a six-level business English course that gives students the **communication skills** they need **for immediate use at work** with relevant, personalised practice for business professionals:

- **Real-world case studies** look in-depth at companies' working practices.
- *Business Result* outlines thoughtful discussion points to get students chatting about familiar business concepts that are **relevant to their own careers**.
- **Online Practice** provides interactive activities with instant feedback on answers and automatic grading, allowing teachers to easily track student progress.
- Audio files, **sample emails,** and **downloadable business cards** simulate realistic settings while integrated videos feature communication skills specific to the business world.

Components

For Students:

- Student's Book with Online Practice
- Digital Student's Book

For Teachers:

- Teacher's Book Pack with:
  - Teacher's Book
  - Video
- Class Audio

Check out the resources available on
www.oxfordpremium.es

Easily adapt *Business Result* 2nd Ed. to fit your teaching context

The sections within each unit **work in a modular way** - they can be completed as standalone activities according to your needs, allowing you to choose lessons that are relevant for your students.

The Teacher's Book also provides support for using the **course flexibly in 1-to-1 lessons and with pre-work students.**

For those working through the units in order, continuity is maintained throughout the book to provide natural progression.

Don't miss:

Video units in the Upper Intermediate and Advanced levels include authentic interviews with leading academics, business experts, and course participants from Saïd Business School, University of Oxford

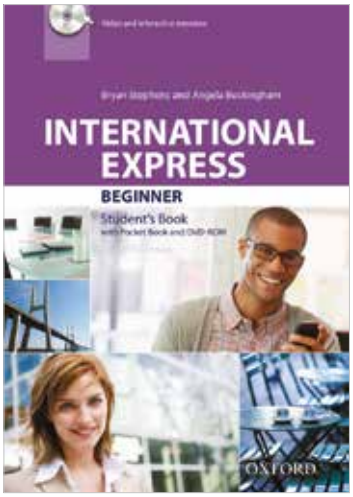
www.sbs.ox.ac.uk.

Find a list of ISBNs at the end of the catalogue (p. 76)

INTERNATIONAL EXPRESS

CEFR: A1–B2 • 80–100 hours • Rachel Appleby, Angela Buckingham, Keith Harding, Alastair Lane, Bryan Stephens, and Frances Watkins

LINKING LIFE AND WORK



Levels Beginner - Upper Intermediate

Using a student-centred approach, *International Express* supports students learning English in **professional contexts**.

- Thanks to a **careful mix of business and general English**, *International Express'* communicative focus prepares students for real-life settings.
- *International Express* adapts to adult learners' busy lives by **combining the Student's Book and Workbook** – ideal for classroom use and **independent study**.
- The Student's Book comes with a portable **Pocket Book** to keep students **learning anytime, anywhere**.
- The **Teacher's Resource Pack** – including lesson plans, review activities, photocopiable worksheets and video material – offers a **variety of activities** to aid with preparation.

Components

For Students:

- Student's Book

For Teachers:

Preparing students for life on a different planet • Radek Krzyzanowski

Every generation brings something new to the education table. That goes without saying. So far, however, we've been able to identify our students' needs and adjust to their expectations and general potential, mainly thanks to the length of time separating one generation from another. Or have we? (…) Are we able to confidently say that we're equipping our students with the skills that they'll need to tackle the challenges of the future?

Get your students ready for Trinity success!

- Dr Mark Griffiths

Have you prepared your candidates for a Trinity exam? Or are you thinking of preparing them for Trinity in the future? Maybe you're just interested in activities that create a more communicative classroom?

In (this) webinar Mark Griffiths will be looking at some of the key features of Trinity College London's Graded Examinations in Spoken English, (or as many people call them, the GESE exams). He'll show you lots of practical activities you can use in your classroom to prepare for Trinity, and to improve your students' communication skills.

BLOG

Teaching Grammar: Classroom choices • Charlotte Rance

If you are anything like me, there are plenty of decisions to make when planning a grammar lesson. Depending on the grammar point we are teaching, we might ask ourselves:

- What might my students find difficult about this structure?
- What examples can I give them?
- What can I do to make this lesson engaging?
- How will I present this language point?
- How will I check they've understood?

Of course, this is not an exhaustive list, and I am sure that you could add plenty more questions of your own. One of the questions I always begin with is "How relevant is this language for my students?" because the answer always impacts on my other planning choices.

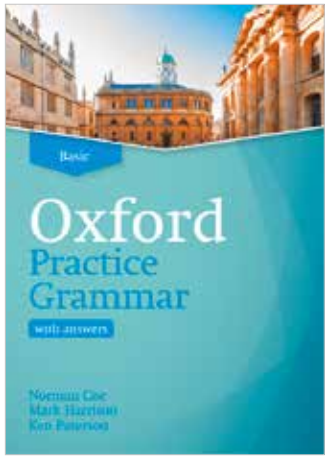
OXFORD PRACTICE GRAMMAR

Includes practice for external exams

NEW Edition

CEFR: A2–B2 • Norman Coe, John Eastwood, Mark Harrison, Ken Paterson, and George Yule

THE RIGHT BALANCE OF ENGLISH GRAMMAR EXPLANATION AND PRACTICE FOR YOUR LANGUAGE LEVEL



Levels Basic, Intermediate, Advanced

Oxford Practice Grammar is a three-level series with clear explanations, extra practice, and all the **grammar that students need for English exams**.

- Clear explanations and practice activities are ideal **for the classroom or self-study**.
- Covers the **grammar** students need to know for international exams such as PET, FCE, CAE, CPE and TOEFL.
- Each unit which covers an important grammar topic starts with an explanation of the grammar and is followed by a **set of practice activities**.
- **Error-correction exercises** help students analyse the language they have practised, and avoid common mistakes.

Oxford Practice Grammar **knows that students need different types of explanation and practice at each stage of their study.**

Basic provides lots of practice and short explanations; **Intermediate** gives you more detail with extended practice; **Advanced** gives challenging practice activities and in-depth explanations.

Components

For Students:

- Book with or without key
- Student's Site

For Teachers:

- Lesson Plans and Worksheets

BLOG

Bringing Grammar to Life • Briony Beaven

The big problem with grammar, familiar to all English teachers, is that many ways of teaching grammar produce learners who KNOW ABOUT grammar; for example, they can tell you the rules for using the present perfect. But they often don't KNOW HOW because when they speak or write these supposedly 'known' rules do not seem to be operating. In other words, the learners fail to make use of the rule they know so well in the language they actually produce. What can we do about this? Three main ways of introducing new grammar are the deductive, the inductive and the guided discovery approaches.

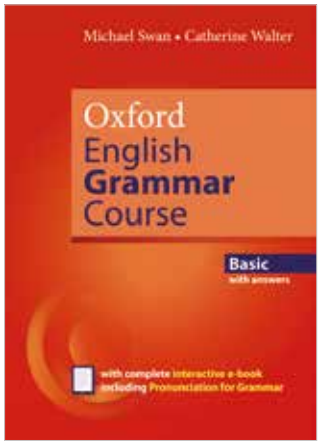
OXFORD ENGLISH GRAMMAR COURSE

eBook available

NEW Edition

CEFR: A2–B2 • Michael Swan and Catherine Walter

STEP BY STEP TO GRAMMAR SUCCESS



Levels Basic, Intermediate, Advanced

With a **clear presentation of grammar concepts and plenty of practice**, *Oxford English Grammar Course* takes students step by step to grammar success.

- **Pronunciation for grammar audio** with interactive exercises helps students hear how grammar sounds, and to record and listen to their own voice.
- Each grammar **explanation is followed immediately by an activity**, so that students can practise before moving on to the next one.
- **Engaging practice activities** include online exercises which enable students to see how language is used in real life, *Do-it-yourself* exercises which encourage students to discover how grammar works, and personalisation activities which allow students to use the grammar to talk about themselves.
- Includes **online downloadable tips, tests, and resources** for teachers and interactive tests, games, and exercises for students.

Components

For Students:

- Book with or without Key and eBook

For Teachers:

- Online resources

Check out the resources available on **www.oxfordpremium.es**

OEGC Basic and Intermediate have units at two levels. Some, marked 'Revise the Basics', revise elementary points of grammar which may still cause problems; units marked 'Level 2' are more advanced.

OEGC Advanced has a special 'Grammar beyond the sentence' section, focusing on **grammar for skills and text-structuring.**

BLOG

Why Teach Grammar? – Michael Swan

Ahead of his talk (…) with co-author Catherine Walter about ways of linking grammar with vocabulary, pronunciation and skills, Michael Swan looks at why you should teach your students grammar.

People probably argue more about grammar than about anything else in language teaching. Research and theory have a good deal to tell us in this area. So does common sense.

1. Regularities
Languages have regularities (if you don't like the word `rules') in the ways they shape and organise words for various reasons.

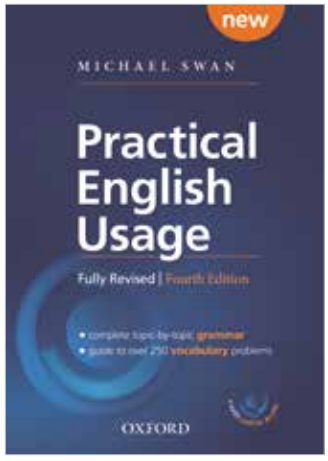
PRACTICAL ENGLISH USAGE 4TH ED.

Over two million copies sold worldwide

CEFR: B1–C2 • Michael Swan

THE WORLD'S MOST TRUSTED GUIDE TO ENGLISH LANGUAGE PROBLEMS



Practical English Usage is **recommended for any teacher, trainee teacher, or advanced-level student** looking for answers to questions about the English language.

- **Completely revised** and updated to reflect changes in language use.
- **600+ entries** provide answers to the questions that learners typically ask, such as the language of emails, use of tenses, singular they, modal verbs, and more.
- Now with an online version, giving users the choice of print, an offline app, and a website.

Practical English Usage is now organised in two parts (grammar and vocabulary), making it easier than ever to find the answers, either online or in print:

- **Part 1 is a complete practical learner's grammar** with 28 sections, covering all the structural points that cause problems for learners.
- **Part 2 is a guide to vocabulary problems covering:**
  - rules for word formation and spelling
  - a survey of high-priority vocabulary areas
  - an A–Z guide to over 250 common word problems

PRACTICAL ENGLISH USAGE ONLINE

www.practicalenglishusage.com

- Browse the full *Practical English Usage* contents using the **Contents Overview**.
- Move easily through the entries using the "Previous" and "Next" buttons, or by following the many **cross-references within entries**.
- Find out what you know and what you don't know with **87 interactive Diagnostic Tests**, including links to the relevant sections of *Practical English Usage*.

READING STARS

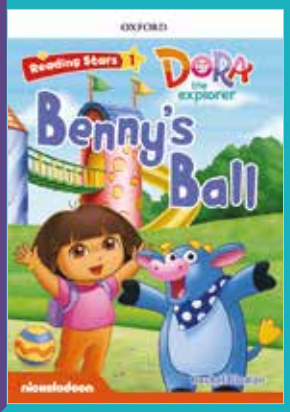
A three-level graded reading series for very young learners of English

NEW

International English • Pre-Primary • 3 to 5 years



Levels 1-3

Each reader is mapped to a specific unit of *Learn English with Dora the Explorer* (p. 8)

FIRST STEPS TO READING SUCCESS FOR VERY YOUNG LEARNERS OF ENGLISH

This engaging series of readers, featuring popular characters from the Nickelodeon television series **Dora the Explorer** and **Blaze and the Monster Machines**, will support children's first steps to reading success.

- Each level has **story readers**, which focus on **common words and phrases**.
- Story readers include a range of simple structures and everyday vocabulary and can be used to **introduce language in context**, or to review language children have already learnt, in an enjoyable way.
- **Language is carefully graded** and the amount of text increases gradually across the three levels.
- **Follow-up activities** help children to develop a range of reading skills.
- There are also **links to other curriculum areas** such as science, technology, and maths so that children's English language learning is integrated with their broader educational development.

Components

For Students:

- Story books with a picture dictionary and follow-up language and comprehension activities

For Teachers:

- Audio of the story and a picture dictionary
- Teacher's Guide with Photocopiable resources

Read and discover more about the world… in English

- Full-colour photos and beautiful illustrations make subjects memorable.
- Projects and activities in every book enhance language and learning skills.
- Activity Books for each Oxford Reader provide additional consolidation.

Components

For Students:

- Reader
- Audio
- Activity Book
- eBook (for selected titles)

CLASSIC TALES

CEFR: A1-B1 • 6 to 12 years

Levels 1-5

Bring the magic of traditional tales into your class

- Foster creativity and imagination through reading, writing, and drama activities.
- Support reading with picture dictionaries, glossaries, and illustrations.
- Engage your learners with Activity and Play Books.

Components

For Students:

- Reader
- Audio
- Activity Book
- eBook (for selected titles)

DOLPHIN READERS

CEFR: A1–B1 • 6 to 12 years

Levels Starter-4

Dive into a world of motivating Oxford Readers

- Themes are carefully chosen to reflect cross-curricular requirements.
- Vocabulary and structures are developed through projects and personalisation tasks.
- In Starter level, cursive script is used for both texts and activities – perfect for early learners.

Components

For Students:

- Reader

DOMINOES

CEFR: A1–B1 • 10 to 16+ years

Levels Quick Stater-3

Build your skills through reading

- Grammar activities and task-based projects sharpen language and critical thinking skills.
- Dramatised audio features native-speaker actors, music, and sound effects.
- Integrated activities advance reading skills and increase active vocabulary.

Components

For Students:

- Reader
- Audio
- eBook (for selected titles)

OXFORD BOOKWORMS LIBRARY

CEFR: A1–C1 • 10 to 18+ years

Levels Stater-6

Classics, modern fiction, non-fiction, and more – the Oxford Bookworms Library has a book for every student

- Titles are carefully chosen and designed to ensure enjoyable, comfortable reading.
- Illustrations, photos, and diagrams support comprehension.
- Audio and glossaries hone language skills, while editable tests assess them.

Components

For Students:

- Reader
- Audio
- eBook (for selected titles)

OXFORD BOOKWORMS COLLECTION

CEFR: Unadapted • 16+ years

Unabridged short stories for advanced English students, inspiring confident readers

- They include activities as well as notes on culture and vocabulary.

Components

For Students:

- Reader

ROLLERCOASTERS

CEFR: Unadapted • 14 to 18+ years

Start your students on original fiction with this collection of unabridged contemporary literature

- Varied themes, challenging subject matter, and engaging plots motivate students to keep reading.

Components

For Students:

- Reader

OXFORD WORLD'S CLASSICS

CEFR: Unadapted • 14 to 18+ years

Bringing advanced students closer to the world's greatest literature

- Helpful notes provide insights into the texts, providing a smooth reading experience.

Components

For Students:

- Reader

TIPS AND IDEAS FOR MOTIVATING STUDENTS TO READ

YOUNG LEARNERS

MAKING READING FUN: USING GRADED READERS WITH YOUNG LEARNERS
• VANESSA ESTEVES

BLOG

Reading has become an essential life skill that helps us interact with the world around us. Equipping our children with effective literacy skills has become a natural and fundamental part of our lives. However, reading isn't a skill that we are naturally born with. Whilst it is true that there are some children who are capable of learning to read on their own, the majority of us need to be taught how to read. (…) So how can we, as teachers and parents, promote the love of reading in our children?

Continue reading the post at https://oxelt.gl/readers-young-learners

TEENAGE LEARNERS

GRADED READERS AND 21ST CENTURY SKILLS
• BILL BOWLER

BLOG

Using graded readers to help learners to improve their reading, writing, speaking and listening skills is not a recently discovered English teaching technique. (…) The idea of teaching 21st century skills is relatively new. (…) Incorporating a focus on 21st century skills like these into classes based around graded readers can combine new and familiar lesson elements in fresh ways which are really engaging for students – especially teenagers!
This is where the carefully graded levels of a series like *Bookworms* or *Dominoes* can greatly help the teacher. Clear levelling helps teachers to select suitable reading materials for different classes (…) and (..) can also help teachers to suggest appropriate books for individual students to read.

To learn more, read the post at https://oxelt.gl/readers-teenage-learners

ADULT LEARNERS

CREATING A READING ENVIRONMENT. USING READERS IN THE CLASSROOM WITH ADULTS
• STACEY HUGHES

BLOG

We all know why our students should read. (…) But reading in a foreign language can feel like work. Tethered to the dictionary, learners often don't get the same satisfaction from reading in a foreign language that they do in their first language.
So, how can we encourage our adult students to read? Ensure they choose the right reading level. (…) Make reading a social experience. (…) Find ways to link books to the outside world. (…) There are many more ways to foster reading.

To learn more, read the post at https://oxelt.gl/readers-adult-learners
