My birthday barbecue

Hi Maria,

I'm one year older! It was my birthday last Sunday, so I'm 15 now. I decided to invite some friends to my house for a barbecue. In my country, barbecues are very popular in summer. The only problem is that it's impossible to know what the weather is going to be like, so I felt quite nervous!

Mum, Dad and I did the shopping on Saturday. We bought chicken, hamburgers, fish and juice. It was a beautiful morning when I woke up on Sunday. The sun was shining and there were only a few clouds in the sky. In the morning, we put a table and chairs in the garden and then my friends arrived.

Then, when Dad was getting ready to do the cooking, it started to rain! We all got very wet! We had to run inside to get dry. And we had to eat sandwiches instead! I was a bit upset, but we listened to music and played computer games, so we had a good time.

Love, Emily
