1.

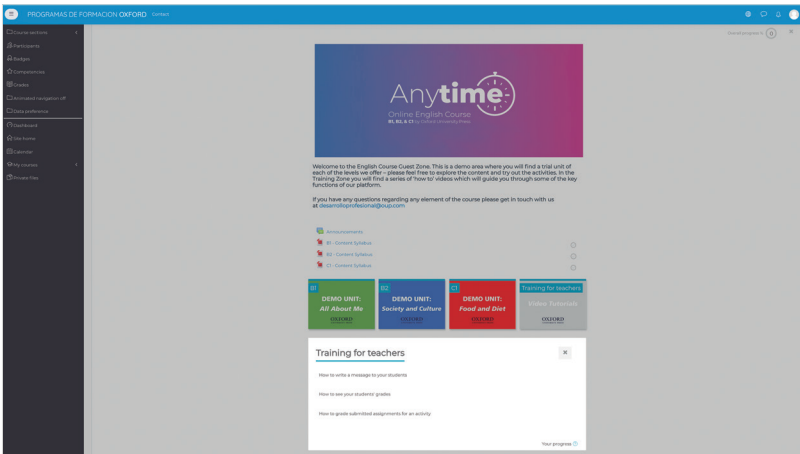

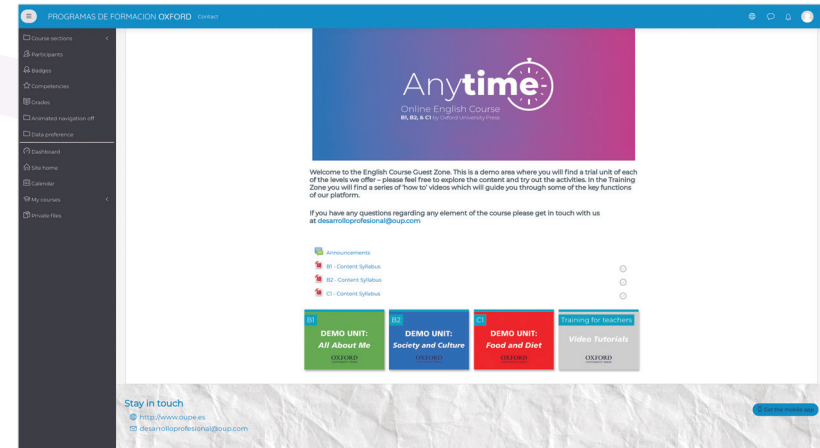

Log in to the platform and you'll be directed to the home page.

This is where you'll find all your recently accessed courses, your course overview, timeline, any files that have been uploaded and view how many students are online.

The screenshot displays the user interface of the Oxford English Language Learning platform. The top navigation bar includes 'PROGRAMAS DE FORMACION OXFORD' and 'Contact'. The main content area is divided into several sections: 'Profile' with a 'Message' button; 'Recently accessed courses' showing a grid of course cards; 'Course overview' with a dropdown menu for 'All (except hidden)'; 'Timeline' showing 'No upcoming activities due'; 'Private files' with 'No files available'; 'Online users' listing '4 online users (last 5 minutes)'; 'Latest badges' with 'You have no badges to display'; and a 'Calendar' for 'October 2020'. A 'Stay in touch' section at the bottom provides contact information: 'http://www.oup.es' and 'desarrolloprofesional@oup.com'.

2.

On the left-hand menu, select **'My Courses'** to view all content for each level.

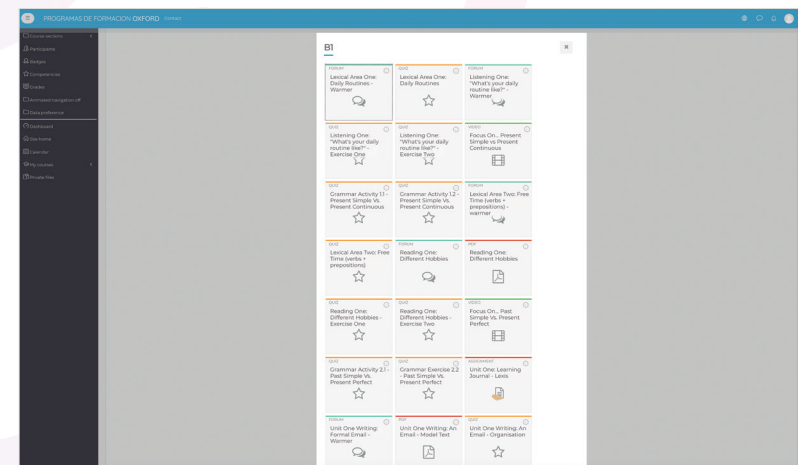

3.

Before you get started, watch our **Video Tutorials** for an overview of how to use the platform and discover everything you can do.

4.

Click on any level to **start interacting** with your students anytime on our e-learning platform.
