Hi, my name's Tilly and I live in Cambridge. I'm very excited because I'm going to Latitude Festival in Suffolk this weekend. I hope it's really sunny! My friend is coming with me because my sister can't go. Paolo Nutini and Sophie Ellis-Bextor are my two favourite stars at the event. I really like these singers. They are both very stylish! Sophie is quite tall and she's got shoulder-length hair. Her hair is usually straight and brown, but last year she had wavy hair! Sophie has got blue eyes and Paolo has got green eyes. Paolo is average height and he's got brown, wavy hair. He's sometimes got a short beard, too! It looks great! Both Sophie and Paolo are brilliant singers, so come to Suffolk and join the party!

**Becky** OK. Let's go to that new café in town!  
**Ruby** Umm... I went there last weekend, but I wasn't very happy. The ice cream was lovely, but I didn't like the sandwiches. I hate onions, and there were a lot of onions in my sausage sandwich. It wasn't as nice as my mum's sandwich.  
**Becky** Oh... but were the cakes nice?  
**Ruby** Yes, they were lovely, and the café looks great – it has lots of comfortable sofas. But one waiter was a little nervous. I think it was his first day. He carried too many things at once and dropped some water on me. He was really embarrassed, but it was OK in the end because I didn't have to pay the bill!  
**Becky** Well, my sister says it's great and I really want to go. It sounds interesting. Please, can we go at the weekend?  
**Ruby** OK... but I'm not ordering a sandwich!
